

2007-2008 Ministry Response Form

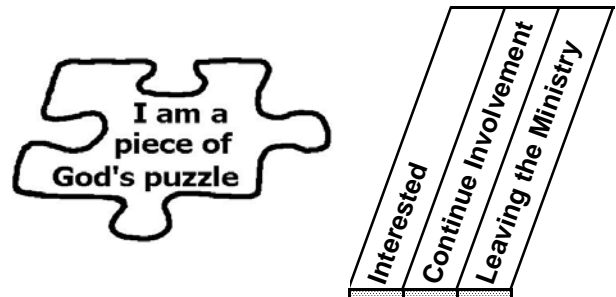

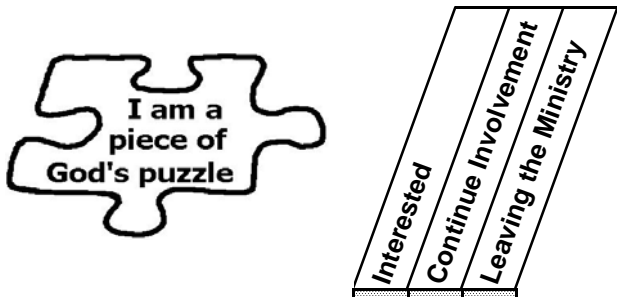

Sharing our Stewardship of Time & Talent

Information about each of the ministries on this form is provided in the *St. Bernadette Parish Ministry Guide*. A new guide was not created this year; rather, you may use the same guide that you received last year at this time. Although the ministry descriptions have remained the same, updated ministry contacts and their phone numbers are enclosed. If you have misplaced or did not receive last year's Guide, you may pick one up in the gathering area or parish office, or download the Guide from the parish website (www.stbweb.com).

Please fill in your personal information below. Place a checkmark (✓) in the appropriate column (*interested, continue involvement, or leaving the ministry*) next to the opportunities to indicate your interest or status in the ministry. Someone from each ministry in which you express interest will contact you to answer any questions you have and/or discuss your participation in the ministry.

NOTE: Please sign up as an individual. A *separate* form should be completed by each adult member of your family, and youth in Grades 6-12. Additional response forms are available in the gathering area, parish office, and on the web.
