Donate desserts to fish fry
A popular part of our fish fry is the delicious array of desserts. Please consider donating a homemade or store-bought dessert for us to sell. Items can be dropped off in the parish office on fish fry Friday during the day or in the kitchen right up until the fish fry start time. Thanks!

The climate is a common good, belonging to all and meant for all. At the global level, it is a complex system linked to many of the essential conditions for human life. A very solid scientific consensus indicates that we are presently witnessing a disturbing warming of the climatic system. In recent decades this warming has been accompanied by a constant rise in the sea level and, it would appear, by an increase of extreme weather events, even if a scientifically determinable cause cannot be assigned to each particular phenomenon. Humanity is called to recognize the need for changes of lifestyle, production and consumption, in order to combat this warming or at least the human causes which produce or aggravate it.” (Pope Francis, Laudato Si’, #23)
Join former Wisconsin Governor, Martin J. Schreiber, as he shares lessons from his decade-plus journey as a caregiver for his wife, Elaine, who lives with Alzheimer’s disease. Governor Schreiber will candidly describe his challenges and missteps, and highlight how compassion and humor provide comfort to both the caregiver and the person with dementia. His raw honesty and practical advice will inspire other caregivers to find patience, courage and love as they climb the Alzheimer’s mountain. *My Two Elaine’s: Learning, Coping, and surviving as an Alzheimer’s Caregiver* will be available for purchase for $15. Net proceeds will be used to promote Alzheimer’s caregiver support programs.

For each book sold, $5 will be given by an anonymous tri-parish donor to the Elaine and Friends Caregiver Help Center at Alzheimer’s Association of SE Wisconsin.
